ASBA Honors Distinguished Sports Facilities

Forest Hill, MD – The American Sports Builders Association (ASBA), the national organization for builders and suppliers of materials for athletic facilities, has announced the winners of its annual awards. Awards are presented each year to facilities built by ASBA members, which best exemplify construction excellence.

Awards are presented in various categories: Tennis Courts, Running Tracks, Sports Fields, Indoor Facilities and Track and Field Facilities. Within some categories, there are divisions; for example, the Tennis Court category recognizes facilities in Indoor, Residential and Outdoor divisions.

Presentation of award plaques was made at the Technical Meeting, recently held in Ponte Vedra, Florida. Projects are scored individually based on considerations such as layout and design, site work, drainage, base construction, surface, amenities, innovation and overall impression. Winning entries are those whose cumulative scores meet or exceed the standard.

Winning projects are as follows:

The ASBA is a non-profit association helping designers, builders, owners, operators and users understand quality sports facility construction. The ASBA sponsors informative meetings, publishes newsletters, books and technical construction guidelines for both tennis courts and running tracks, and keeps its members aware of the latest developments in the industry. It also offers voluntary certification programs in tennis court, running track and sports fields construction.

Available at no charge is a listing of all publications offered by the Association, as well as the ASBA's Membership Directory. For information on the ASBA, as well as on its publications, activities and upcoming

meetings, please contact the Association at 9. The toll-free phone number is 866-501-ASBA, the local number is 410-730-9595, and the fax number is 410-730-8833. The ASBA also may be reached electronically via its website: www.sportsbuilders.org, or via e-mail at info@sportsbuilders.org.
